KNITTED SOCKS - SIZE CHART

Knitted socks for children and adults - sizes?

How long should the foot be when I knit socks for children or adults?

Yes, it is sometimes a good question - especially if the foot is not right around and you have thrown yourself into knitting for others.... You will find measurements and stitch counts for socks knitted on needle 3 and needle 4 - note there are two different schemes.

Surface 2.5 / 3 Size	22-23	24-25	26-27	28-29	30-31	32-33	34-35
Total number of stitches	44	48	48	52	52	56	56
Number of stitches for heel	22	24	24	26	26	28	28
Foot length in cm (without the toe)	11,5	12,5	14	14	15,5	17	18
Foot length in cm (with toe)	14,5	15,5	17	18	19,5	21	22

Surface 2.5 / 3 Size	36-37	38-39	40-41	42-43	44-45	46-47
Total number of stitches	60	60	64	64	68	72
Number of stitches for heel	30	30	32	32	34	36
